Education Options Available for Graduates of Bachelor's Degree Programs

Federal law requires CAU to inform students enrolling in Bachelor's degree programs of the types of graduate and professional education opportunities, which Bachelor's degree graduates may enroll. CAU Bachelor's graduates may enroll in CAU's Master of Business Administration (MBA) or Master of Aviation Science programs offered at the CAU-Bakersfield Campus' Distance Education Facility**. Additional educational opportunities at other academic institutions may be available to bachelor's degree graduates. The University does not have additional data to support other graduate and professional education opportunities.

**Data obtained for the Student Right to Know Disclosure was obtained based on the following OPEID's:
009989-00 and 009989-05

**The data compiled for this disclosure represents our sister school: SBBCollege, Ventura, CA. The University moved the institution to Mesa, AZ and renamed the institution as California Aeronautical University.

***Sources of data obtained from the 2015-16 College's catalog.
